The book adds so many delicious choices for ones palate that we get 3 times the use of ours since getting this book. I haven't seen any hard-to-find ingredients or expensive spices. This one is a must have!

Push your finger toward the knife and glide the produce at the same time. If you are a beginner, this makes a huge difference as it allows for change but you also have something your most comfortable with that you know you can make and is good, instead of making a different dressing for. Dana knows how to cook or come up with recipes for me to cook I should say as I have never actually tried her cooking. Put the flat side of the slice on the table and cut into long strips and then cut the strips in half. Next we made a pasta salad. She was kind enough to write down her experience as a first time cook and share the tips and things she found useful during our cooking weekend.
