Memorable parts of the experience included his trip over on the luxury liner S. After drooling over Mr.

PartOne—thefirstnovelprehistory;PartTwoandPartThree—thesecondnovel

When an unforeseen event brings about the end of the world, a powerful artificial intelligence is born. In Cobalo he is accepted into the College for Mages, not knowing that the enemy wizard has already learned of his presence on this world.

The west was never this wild! Resistance is ferocious and more than just Tower has Ashley blown her chances with him forever? When the Council ordered the systematic murder of those capable of wielding magic – Runics – as reparation for their role in the Soleran loss of the Great War, no one thought twice of the order.
