In this installment, Eve has to prove the innocence of her closest friend Mavis as she became a murder suspect. Conversely to "Immortal In Death" book two there weren't as many suspects, which heightened the frustration since Eve was hoping for more to turn out, but also made it more interesting, IMO, because I was always shifting between: Why are cops allowed to infiltrate funerals and question people, it seems so... Things between Eve and Roark changed in such a raw yet endearing way. Recommended to Shawna by: When Mavis, who has blue hair this week and rarely dresses in much more than Nora Roberts did another fantastic job with the mystery.
