Boss in Dragon Shrine. The area in question is a dead end, but it allows you to join the Brotherhood of Blood if you have a Token of Spite with you.

Your message has now been forwarded to the PONS editorial department. This boss will just rush you with a spear attack and end you quickly. While you're an abyss spirit you can attack the other npc abyss spirits.

You find yourself stranded and lost in the middle of the fight. Feedback: If you need help during the second half of the fight, the gargoyles will start spewing flames, though randomly.
