As Ricci states, To die sine condito testamento is thus a true and proper sin, because the family's reproduction is in risk from this lack of preparation and at the same time the [non]testator compromises his possibilities of entering Paradise. His advice to his sons was to reduce their exposure to others by bastards; it is enough to hold on to what you .

That an heir could legally repudiate and yet be in possession of and use paternal property. In this characterization of the difference between the Baldi and Bartolo, I follow, among others, Giulio Vismara, *Scritti di storia giuridica*, vol. Instead, Bartolo said, stressing the other side of the equation, a father could not accept an inheritance without the corroborating consent of the child to whom it had been left.

Baldo, confirming Angelos' opinion in the case, agreed that an absent son could not inherit. *Isabelle Chabot, Biens de famille: Brigadiere Negri episode*
