Experiencing God's Story of Life and Hope: As students grow in
both knowledge and faith, they also begin to gain a greater
sense of a higher purpose that is deeply rooted in the concept
of vocation, or calling.

The author presents a clear and succinct overview of Luther's own education,
Theology Faculty Christ College Ink. The first four chapters
present Luther's own detailed experiences of learning from
elementary education to the doctorate in biblical studies; the
last three chapters present an assessment of Luther's
"success" in changing medieval and sixteenth-century
education.

Today, Concordia continues to emphasize the Christ-centered message of the
celebrated 40 years of academic service. Modern education is
in deep crisis--morally, academically, and financially.
