How do they think he learns? We work to emphasise the importance of books and literature in enabling children to become confident, happy and enthusiastic readers and writers. In colonial times, statesman Benjamin Franklin was baptized. I so enjoyed reading it. What evidence do your students have for their interpretations, based on what they noticed in the poem? What does the speaker in the poem want to do about maps? What specific words would they use to describe what they saw and felt? What evidence in the poem as well as what they have previously discussed and written in this lesson supports this?
