In my gearhead fantasy, I have an account with the Snap-On truck and a big, red stacker tool chest stocked with drop-forged wrenches and sockets. Kindle Account rated it it was amazing Dec 01, Open Preview See a Problem?

ThisOldBoat,SecondEdition: A comprehensive guide to boat systems and a must have book on any boat. If like most do-it-yourselfers you've relied on a sketchy owner's manual or one of those abstruse shop manuals written for professional mechanics to keep your onboard running, here's an end to your frustration. Boat Book Recommendations Whether you are a weekend boater or a full time cruiser, there is generally not a lot of room on board for books.
