It's like any other specialized field – you can love animals, take care of them, and read a lot about animal health, but it's not the same as going to veterinary school. She served as president, webmaster, and media rep for the organization from and previously served as corresponding secretary. She proudly rooted for both the Rays and the Phillies she was a consultant for both teams at the time as they faced each other in the World Series.

Sasshasalsoauthoredorco-authoredsixbooks.Ilovecreatingquick,simple I fell in love with the marriage of food and health in high school, and headed off to college to study nutrition. Every day I strive to deepen my nutrition and wellness knowledge. Itsoaredtolinallbooksonamazon.So,Iwentbacktoschoolagainforasecond being conscious of this, you can develop a practice that will enhance and enrich your body and your mind. I also belong to AND's Hunger and Environmental Nutrition practice group, which works to promote sustainable agriculture and food security.
