ComiXology Thousands of Digital Comics. I have played the accordion for years but always wanted to play the piano. Allinallthisbookhasbeengoodforme,astartupianist.The COMPLETE book features everything in the BASIC book, plus extra features like a page explanation that leads to complete understanding of the fundamentals of major and minor scales, chords, arpeggios, and cadences; a clear explanation of scale degrees; and a two-page guide to fingering the scales and arpeggios. Finally I bought one and, with Chords help of on-line classes, came to understand that although I knew the notes of the scales, I lacked in depth knowledge of playing them and had terrible technique.
