Other disasters you can, but not zombies. Second of all possessing weapons could cause National Guards men to mistake you for a looter and get yourself shot. But in the event a real zombie invasion would occur, I highly doubt it has time for government bureaucracy!

IsthevirtualworldthatmuchmoreinterestingthantheREALworld?Forallyc An all powerful being would never let the little guy know when the final day is coming. They have helped me be ready for all eventualities.

Anythingcreativeenoughtogetpeoplethinkingaboutdisasterplanningis I will be stocking on the Beneful and along with the ramen noodles, and figuring out a backup plan for where they can stay if the zombie stuff really hits the fan.
