Here is The Complete PDF Book Library. It's free to register here to get Book file PDF sorayokata (Japanese Edition).

**ELI5:Why do some artists make Japanese edition of their albums? : explainlikeimfive**

in my experience it's to incentive Japanese fans to buy the domestic release as opposed to an imported NA/UK/EU/whatever version that's often.

According to a friend who runs a small record label that occasionally does business in Japan: it's because it is invariably cheaper for Japanese.

Most households do not have a computer or even network connections. When you visit a website, it may collect information about your browser, your preferences, or your device to make the website work as you expect it to.

My understanding is that there is at least some level of feeling that outsiders

The first time I was in Tokyo I was blown away that the convenience stores had newsstands, and they were huge and with a wide variety of stuff. Log in or sign up in seconds.

Those distributors always add the "Obi", that paper sleeve on the left-hand side

find that extra tracks tend to be the case with most imports, not just Japanese ones, and I'm sorry, Kate (Japanese Edition) sure Andrew Cooke is right on the money.
