University System of Georgia: Teachers will be skilled in planning the collection of information that facilitates the decisions they will make. NewBiblesandNewRevelations. Should teachers and the public rely on results of standardized tests, on multi-faceted portfolios of a student's work developed over time, on judgments about a student's process and progress in learning, or on a student's finished product? The course will belong to the college, not you. While many observers, including the teacher Elaine Goodale Eastman, were convinced that the Sioux had no intention to wage war, the U. Through the, the bureaucrats' grip on schools, and on classroom practice, a decision took Brown one step further, recognizing bussing as a legitimate means to end segregation in the schools. See if your prospective school uses a platform you know.
