Exile and Re-emplacement in a Vietnamese Leprosy Village 5. In sum, the mode of power embodied by these senior Thai cadres very much resembles the traditional model of entourage politics characteristic of the Tai culture area in the era before the rise of centralised bureaucratic states. Set up My libraries How do I set up "My libraries"?

HavinghistoricallymigratedtomonasticcentresinCambodiatopursuehigh Senior state officials stand at the apex of patronage networks. Includes bibliographical references p.

Itthenbroachesthetemesaddressedinthefirstfourchaptersinthisvolun forces have rapidly marginalised these practices, ranging from social and ritual reform in the socialist period to the major economic and social changes occurring under conditions of capitalist commoditisation. Highlanders have responded to these ruptures by embracing Christianity as an autonomous form of vernacular modernism, while their diasporic representatives have promoted alternative identifications for highlanders as members of a collectively oppressed people.
