Being Your Own Wilderness Doctor. D As we go about our daily lives—ordering a fourth round of mojitos, waiting in line at the supermarket to pay for our hummus, delicately hanging our photographs of tropical fish—there are a staggering number of things trying to get inside our bodies.

Refreshandtry.FirstAidforCats. And, truth be told, I can't decide if I'd rather have worms living on my eyeball, having my flesh begin to decay while I'm still alive, or suffering from fatal familial insomnia in which case, I'll never sleep again, and will probably spend my final waking hours wishing I had a disease as simple as worms living on my eyeball or having my flesh decay while I'm still alive.
