Interacting Stochastic Systems - Kindle edition by Jean-Dominique Deuschel, Andreas Greven. Download it once and read it on your Kindle device, PC, phones.

Interacting stochastic systems - recent developments [LPSM-Structures et Modèles Aléatoires]

Jean-Dominique Deuschel, DFG-Schwerpunkt: Interacting Stochastic Systems of High Complexity, Andreas Greven, Research Network on "Interacting."

Summary on Grant Application Form. The goal of this project is to explore the properties of certain random systems of particles that continuously interact with one.

Abstract: We derive quantitative estimates proving the propagation of chaos for large stochastic systems of interacting particles. We obtain.

Request PDF on ResearchGate | On Jan 1, , A. Greven and others published Interacting stochastic systems: longtime behavior and its renormalization.
