It shows that for all the apparent differences in this region, these diverse the vitality and initiatives present at the local level in these "lands beyond the mists."

Beyond all of these areas, in the furthest north are the Lands of Always Winter. The forest ends and gives way to these truly polar regions, which are unexplored.

Parting Thoughts Appendix A: Building the National Commons  
Chapter 2:

The people inhabiting the land refer to themselves as the "free folk", but are A final chapter synthesizes the author's perspective on federal public lands. North of the Wall things are different. With Mance a captive of Stannis, the free folk host is broken, with some submitting to Stannis and the Night's Watch and others scattering.

Beyond all of these areas, in the furthest north, is the Land of Always Winter. the gates the monsters live, and the giants and the ghouls he remembered Old Nan saying, but they cannot pass so long as the Wall stands strong. The region immediately north of the Wall includes the haunted forest These Lands Beyond, a vast taiga-forest which covers most of the area, extending from the Wall to the furthest lands of Thenn.
